

## Undocumented Student Safe Zone

This symbol identifies someone with information, sensitivity and understanding towards undocumented students.

## Undocumented Student Safe Zone

This symbol identifies someone with information, sensitivity and understanding towards undocumented students.

*This symbol was created by and is given to you courtesy of Lynn Córdova.*

*Like symbols used to identify safe zones for LGBTQ students, we feel it is important to help undocumented students identify allies who can help them understand their options for higher education.*

*If you would like more of these cards, or more information about how to help undocumented students, please contact:*
