EXPERIENCE

BRENNAN BARNARD, High School College Counseling Director
RICK CLARK, Undergraduate Admission Director

This year we will be reading *The Truth about College Admissions*. This book is an essential tool in understanding the college planning process. Counselors will be asked to read the book and be prepared for engaging discussion. We also will have the authors from the book, Rick Clark and Brennan Barnard present at KOO II to lead us in engaging discussion and application tools in leaning how to better support our students.

You don't want to miss this!

Enrollment is limited to the first 35 paid participants!

Workshop is sponsored by

What is KOO (Keeping Options Open)

It all started with a vision for helping counselors to better understand and learn more about the college planning process. 32 years later KOO is still going strong and guiding counselors in learning the information they need to provide access to college for all students.
